PATENT
Attorney Docket No. UTC-07994

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re Application of: Curt R. Freed *et al.*

Serial No.: 10/699,302

Filed: 10/30/03

Entitled: Dopamine Neurons From Human Embryonic Stem Cells

Group No.:

Examiner:

REQUEST FOR CORRECTION OF FILING RECEIPT

OIPE 703.746.9195

US Patent & Trademark Office

Arlington, VA 22202

CERTIFICATE OF MAILING UNDER 37 C.F.R. § 1.8(a)(1)(i)(B)

I hereby certify that this correspondence (along with any referred to as being attached or enclosed) is being transmitted by facsimile to: OIPE 703.746.9195, US Patent & Trademark Office, Arlington, VA 22202, on March 31, 2004.

By:

Christine A. Lekutis

Sir or Madam:

Submitted herewith for this application is 1) a request for correction of filing receipt, 2) a copy of filing receipt, 3) a copy of express mail label, and 4) an express mail shipment details sheet (6 pages total).

The information shown on the attached Filing Receipt (mailed 02/04/2004) concerning the identification of the Filing Date is incorrect. The Filing Receipt currently lists the Filing Date as 10/31/2003. The correct Filing Date should be 10/30/2003.

The above application was deposited with the U.S. Postal Service (USPS) under Express Mail Label No. EV 329 476 868 US on 10/30/03, as evidenced by the attached Customer Copy. Although the date written in the Date In box is difficult to decipher, both the USPS stamp on the mailing label, and the information provided in the attached Track & Confirm Shipment Details sheet, clearly indicate that the application was mailed on 10/30/03. Thus, Applicants request that the Filing Receipt be amended to list the correct Filing Date of 10/30/03.

In conjunction with this Request, Applicants are submitting (under separate covers) a Declaration, an Assignment, and a Power of Attorney by Assignee, all listing the correct Filing Date of 10/30/03.

PATENT
Attorney Docket No. UTC-07994

While Applicants believe that no fee is due in conjunction with this communication, the Commissioner is hereby authorized to charge payment of any fees, or credit any overpayment, to Deposit Account No.: 08-1290.

Respectfully submitted,

Dated: March 31, 2004

Christine A. Lekutis

CONFIRMATION NO. 3925

Date Mailed: 02/04/2004

Receipt is acknowledged of this regular Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. If an error is noted on this Filing Receipt, please write to the Office of Initial Patent Examination's Filing Receipt Corrections, facsimile number 703-746-9195. Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the USPTO processes the reply to the Notice, the USPTO will generate another Filing Receipt incorporating the requested corrections (if appropriate).

**LICENSE FOR FOREIGN FILING UNDER
Title 35, United States Code, Section 184
Title 37, Code of Federal Regulations, 5.11 & 5.15**

GRANTED

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The date indicated is the effective date of the license, unless an earlier license of similar scope has been granted under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related applications(s) filed under 37 CFR 1.53(d). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

NOT GRANTED

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 5.12, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15(b).
